Students' Feedback on Curriculum

Please tick (√) the response that best describes your level of satisfaction for each question: *

	Strongly Agree	Agree	Not sure	Disagree
Do you agree that the quality of the syllabus taught to you is comparable to that of other universities?	◉	○	○	○
Do you agree that the curriculum offers a good balance between core and applied subjects?	◉	○	○	○
Are you satisfied with the current curriculum's ability to meet your academic and career goals?	◉	○	○	○
The syllabus covers topics that are contemporary and aligned with industry requirements.	○	◉	○	○
Course Outcomes were explained to you in each subject by the teacher?	◉	○	○	○
Course content is well structured and adequate to achieve expected course outcomes.	○	○	○	◉
Do you agree that sufficient teaching hours (credits) were allocated in your timetable for all subjects?	◉	○	○	○
The textbooks and reference books listed in your syllabus were relevant and useful.	◉	○	○	○
The library has a substantial collection of high-quality textbooks and reference materials.	○	◉	○	○
The internal evaluation practices are transparent, and the grievance redressal system for internal assessment is efficient and adheres to set timelines.	◉	○	○	○

The teacher frequently utilizes audio-visual tools in the classroom to enhance and enrich the effectiveness of the teaching-learning process.

◉ ○ ○ ○

Do you agree that departmental efforts are effective in improving communication, technical and professional skills fostering overall development of the student.

○ ○ ○ ◉

The department's initiatives, such as expert talks, workshops, and industrial visits, effectively contribute to the professional development of students.

○ ○ ○ ◉

The department actively assists students in identifying career opportunities by organizing career counseling sessions and offering support for competitive examination.

○ ◉ ○ ○

offering support for competitive examination.

Any other comments/suggestions on Curriculum

Certification courses in Web development, C, C++, Python, and other subjects be made available.

Student's Feedback on Ambience

Please tick (√) the response that best describes your level of satisfaction for each question: *

	Strongly Agree	Agree	Not sure	Disagree
Do you agree that ambience in the library, classrooms, and laboratories is supportive of learning and sports and cultural facilities are conducive to your overall development.	○	◉	○	○
Adequate infrastructure and support are available, including classrooms equipped with ICT-enabled teaching tools, well-equipped laboratories, hostels, auditorium, and a comprehensive library.	◉	○	○	○

Alumni' Feedback on Academic Performance & Ambience

Dear Alumni,

We hope this message finds you well. As part of our continuous effort to improve and enhance the educational experience at P.I.E.T., we are reaching out to gather your valuable feedback on the curriculum and the overall ambience of the institute. Your insights and experiences as former students are incredibly important to us. It will help us to identify strengths and areas for improvement, ensuring that current and future students receive the best possible education and environment. Your participation will be highly appreciated and will play a crucial role in shaping the future our institute.

Please spare few moments to complete the survey.

Thank you for your time and support.
