Alumni' Feedback on Syllabus and its Transaction

Dear Alumni,

We hope this message finds you well. As part of our continuous effort to improve and enhance the educational experience at P.I.E.T., we are reaching out to gather your valuable feedback on the curriculum and the overall ambience of the institute. Your insights and experiences as former students are incredibly important to us. It will help us to identify strengths and areas for improvement, ensuring that current and future students receive the best possible education and environment. Your participation will be highly appreciated and will play a crucial role in shaping the future our institute.

Please spare few moments to complete the survey.

Thank you for your time and support.

Alumni' Feedback on Syllabus and its Transaction

Dear Alumni,

We hope this message finds you well. As part of our continuous effort to improve and enhance the educational experience at P.I.E.T., we are reaching out to gather your valuable feedback on the curriculum and the overall ambience of the institute. Your insights and experiences as former students are incredibly important to us. It will help us to identify strengths and areas for improvement, ensuring that current and future students receive the best possible education and environment. Your participation will be highly appreciated and will play a crucial role in shaping the future our institute.
Please spare few moments to complete the survey.

Thank you for your time and support.

Do you agree that the curriculum offers a good balance between core and applied subjects?	○	◉	○	○
The syllabus contents are well-sequenced, and the allocation of credits to each course is appropriate.	◉	○	○	○
Do you agree that the curriculum is up-to-date and aligned with current industry requirements.	○	○	○	◉
The syllabus content is sufficient to achieve the stated Course Outcomes (COs) and Program Outcomes (POs).	◉	○	○	○
The institute facilitates teachers' participation in university curriculum development and additional courses.	◉	○	○	○
The course outcomes are clearly defined, and the process for achieving program outcomes is	◉	○	○	○

relevant to the course(s) being taught.

The recommended texts and reference books listed in the syllabus are pertinent and useful.

Library has extensive collection of high-quality and relevant textbooks and reference materials to meet students' overall academic needs.

The syllabus aids students in cultivating analytical, problem-solving and design thinking abilities.

The internal examination and evaluation system ensures fair assessment of students' academic progress.

External experts from academia and industry who bring relevant expertise are frequently invited to conduct workshops, seminars, and lectures.

Any other comments/suggestions on Curriculum

In such as DS and ADA subjects no practical labs are given as per curriculum. so, labs such subjects should be provided.

Alumni' Feedback on Syllabus and its Transaction

Dear Alumni,

We hope this message finds you well. As part of our continuous effort to improve and enhance the educational experience at P.I.E.T., we are reaching out to gather your valuable feedback on the curriculum and the overall ambience of the institute. Your insights and experiences as former students are incredibly important to us. It will help us to identify strengths and areas for improvement, ensuring that current and future students receive the best possible education and environment. Your participation will be highly appreciated and will play a crucial role in shaping the future our institute.
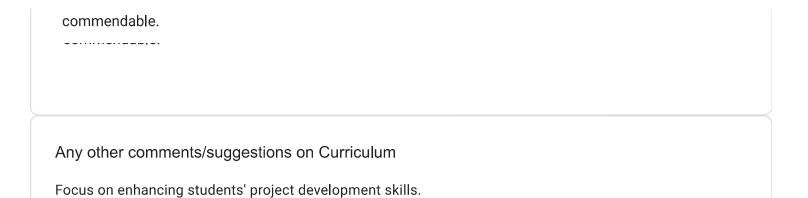

Please spare few moments to complete the survey.

Thank you for your time and support.

	Strongly Agree	Agree	Not sure	Disagree
Do you agree that the curriculum offers a good balance between core and applied subjects?	●	○	○	○
The syllabus contents are well-sequenced, and the allocation of credits to each course is appropriate.	○	●	○	○
Do you agree that the curriculum is up-to-date and aligned with current industry requirements.	○	○	○	●
The syllabus content is sufficient to achieve the stated Course Outcomes (COs) and Program Outcomes (POs).	○	●	○	○
The institute facilitates teachers' participation in university curriculum development and additional courses.	●	○	○	○
The course outcomes are clearly defined, and the process for achieving program outcomes	●	○	○	○

is relevant to the course(s) being taught.

The recommended texts and reference books listed in the syllabus are pertinent and useful.

	●	○	○	○

Library has extensive collection of high-quality and relevant textbooks and reference materials to meet students' overall academic needs.

	○	○	○	●

The syllabus aids students in cultivating analytical, problem-solving and design thinking abilities.

	●	○	○	○

The internal examination and evaluation system ensures fair assessment of students' academic progress.

	●	○	○	○

External experts from academia and industry who bring relevant expertise are frequently invited to conduct workshops, seminars, and lectures.

	○	○	○	●

Any other comments/suggestions on Curriculum

Indian Pharmacopoeia vol 4 should be purchased. Industrial visits must be organized to let the students learn about manufacturing or production of pharmaceuticals. Expert talks are required for students regarding the pharmacists' role in medical profession. Also, for students' overall development some additional course should be added to acknowledge them about complementary medicines.

Alumni' Feedback on Syllabus and its Transaction

Dear Alumni,

We hope this message finds you well. As part of our continuous effort to improve and enhance the educational experience at P.I.E.T., we are reaching out to gather your valuable feedback on the curriculum and the overall ambience of the institute. Your insights and experiences as former students are incredibly important to us. It will help us to identify strengths and areas for improvement, ensuring that current and future students receive the best possible education and environment. Your participation will be highly appreciated and will play a crucial role in shaping the future our institute.

Please spare few moments to complete the survey.

Thank you for your time and support.
