Alumni' Feedback on Academic Performance & Ambience

Dear Alumni,

We hope this message finds you well. As part of our continuous effort to improve and enhance the educational experience at P.I.E.T., we are reaching out to gather your valuable feedback on the curriculum and the overall ambience of the institute. Your insights and experiences as former students are incredibly important to us. It will help us to identify strengths and areas for improvement, ensuring that current and future students receive the best possible education and environment. Your participation will be highly appreciated and will play a crucial role in shaping the future our institute.

Please spare few moments to complete the survey.

Thank you for your time and support.

	Strongly Agree	Agree	Not sure	Disagree
The syllabus taught to you during your degree program provides a good balance between core and applied subjects.	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Courses studied by you are comparable with what your workplace colleagues studied in other institutes/universities?	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
Contents of the curriculum has effectively prepared me for pursuing higher education or securing employment.	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
The syllabus taught during degree program is relevant and has helped me to fulfill industry requirements.	<input type="radio"/>	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>
The electives offered throughout the program in various semesters have been beneficial to my professional career.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The curriculum and its implementation have helped me to attain the desired graduate attributes.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Internships and projects have enabled me to develop	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

professional skills essential for professional growth and career readiness.

The textbooks and reference materials listed in the syllabus are relevant and useful.

Institutional initiatives on innovation and entrepreneurship have been helpful for your current roles and responsibilities.

The department's initiatives, such as expert talks, workshops, and industrial visits, effectively contributed to my professional development.

The department actively assisted me to identify available career opportunities by organizing career counseling sessions and offering support for competitive examinations.

The academic support and facilities (classrooms, ICT tools, laboratories, and library) provided to you by institute, helped you effectively in the industry.

The canteen, sports, cultural, and other recreational facilities in the institute campus

were satisfactory.

The security, CCTV, fire extinguishers, first aid, and medical facilities available in the institute campus were satisfactory.

The Institute's alumni web portal and other initiatives of Alumni Connect are commendable.

Any other comments/suggestions on Curriculum

department should more actively assist the students in identifying career opportunities by conducting career counseling sessions for competitive examination

Alumni' Feedback on Academic Performance & Ambience

Dear Alumni,

We hope this message finds you well. As part of our continuous effort to improve and enhance the educational experience at P.I.E.T., we are reaching out to gather your valuable feedback on the curriculum and the overall ambience of the institute. Your insights and experiences as former students are incredibly important to us. It will help us to identify strengths and areas for improvement, ensuring that current and future students receive the best possible education and environment. Your participation will be highly appreciated and will play a crucial role in shaping the future our institute.

Please spare few moments to complete the survey.

Thank you for your time and support.

	Strongly Agree	Agree	Not sure	Disagree
Do you agree that the curriculum offers a good balance between core and applied subjects?	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The syllabus contents are well-sequenced, and the allocation of credits to each course is appropriate.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Do you agree that the curriculum is up-to-date and aligned with current industry requirements.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input checked="" type="radio"/>
The syllabus content is sufficient to achieve the stated Course Outcomes (COs) and Program Outcomes (POs).	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The institute facilitates teachers' participation in university curriculum development and additional courses.	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
The course outcomes are clearly defined, and the process for achieving program outcomes	<input checked="" type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

is relevant to the course(s) being taught.

The recommended texts and reference books listed in the syllabus are pertinent and useful.

Library has extensive collection of high-quality and relevant textbooks and reference materials to meet students' overall academic needs.

The syllabus aids students in cultivating analytical, problem-solving and design thinking abilities.

The internal examination and evaluation system ensures fair assessment of students' academic progress.

External experts from academia and industry who bring relevant expertise are frequently invited to conduct workshops, seminars, and lectures.

Any other comments/suggestions on Curriculum

A new course in the curriculum must be added to enhance the research writing skills of Pharmacy students and more expert talks or seminars should be conducted regarding upskilling the pharmacists towards patient centric approach. Industrial visits on Quality control and quality audits must be offered.

Alumni' Feedback on Academic Performance & Ambience

Dear Alumni,

We hope this message finds you well. As part of our continuous effort to improve and enhance the educational experience at P.I.E.T., we are reaching out to gather your valuable feedback on the curriculum and the overall ambience of the institute. Your insights and experiences as former students are incredibly important to us. It will help us to identify strengths and areas for improvement, ensuring that current and future students receive the best possible education and environment. Your participation will be highly appreciated and will play a crucial role in shaping the future our institute.

Please spare few moments to complete the survey.

Thank you for your time and support.

The syllabus taught to you during your degree program provides a good balance between core and applied subjects.

Courses studied by you are comparable with what your workplace colleagues studied in other institutes/ universities?

Contents of the curriculum has effectively prepared me for pursuing higher education or securing employment.

The syllabus taught during degree program is relevant and has helped me to fulfill industry requirements.

The electives offered throughout the program in various semesters have been beneficial to my professional

career.

The curriculum and its implementation have helped me to attain the desired graduate attributes.

Internships and projects have enabled me to develop professional skills essential for professional growth and career readiness.

The textbooks and reference materials listed in the syllabus are relevant and useful.

Institutional initiatives on innovation and entrepreneurship have been helpful for your current roles and responsibilities.

The department's initiatives, such as expert talks, workshops, and industrial visits, effectively contributed to my professional development.

The department actively assisted

The department actively assisted me to identify available career opportunities by organizing career counseling sessions and offering support for competitive examinations.

The academic support and facilities (classrooms, ICT tools, laboratories, and library) provided to you by institute, helped you effectively in the industry.

The canteen, sports, cultural, and other recreational facilities in the institute campus were satisfactory.

The security, CCTV, fire extinguishers, first aid, and medical facilities available in the institute campus were satisfactory.

The Institute's alumni web portal and other initiatives of Alumni Connect

Any other comments/suggestions on Curriculum

expert talks in the feild of technical application of textile material such as textile composites must be organized.
