Creative writing is a valuable skill that can be developed and refined through practice, patience and persistence. This workshop is conducted for the importance of training in strengthening creative writing skills and provides recommendations for effective training strategies. To strengthen the writing skills of students a training workshop is required. Training report is helpful to achieve success in your goal, with participants demonstrating improved skills and knowledge in key areas. The workshop achieved its objectives and provided a solid foundation for future development.

The session was conducted for briefing students about ongoing training and coaching on effective communication techniques and encourages open feedback and suggestion-sharing to improve problem-solving. It is essential for writers seeking to improve their craft. By incorporating a combination of training strategies, writers can enhance their technique, creativity and confidence. With dedication and persistence, writers can achieve their full potential and produce high-quality, engaging writing.

The session concluded with the Hod of the department, Mr. Atul Gautam along with Ms. Pooja Gupta, facilitating the speaker.

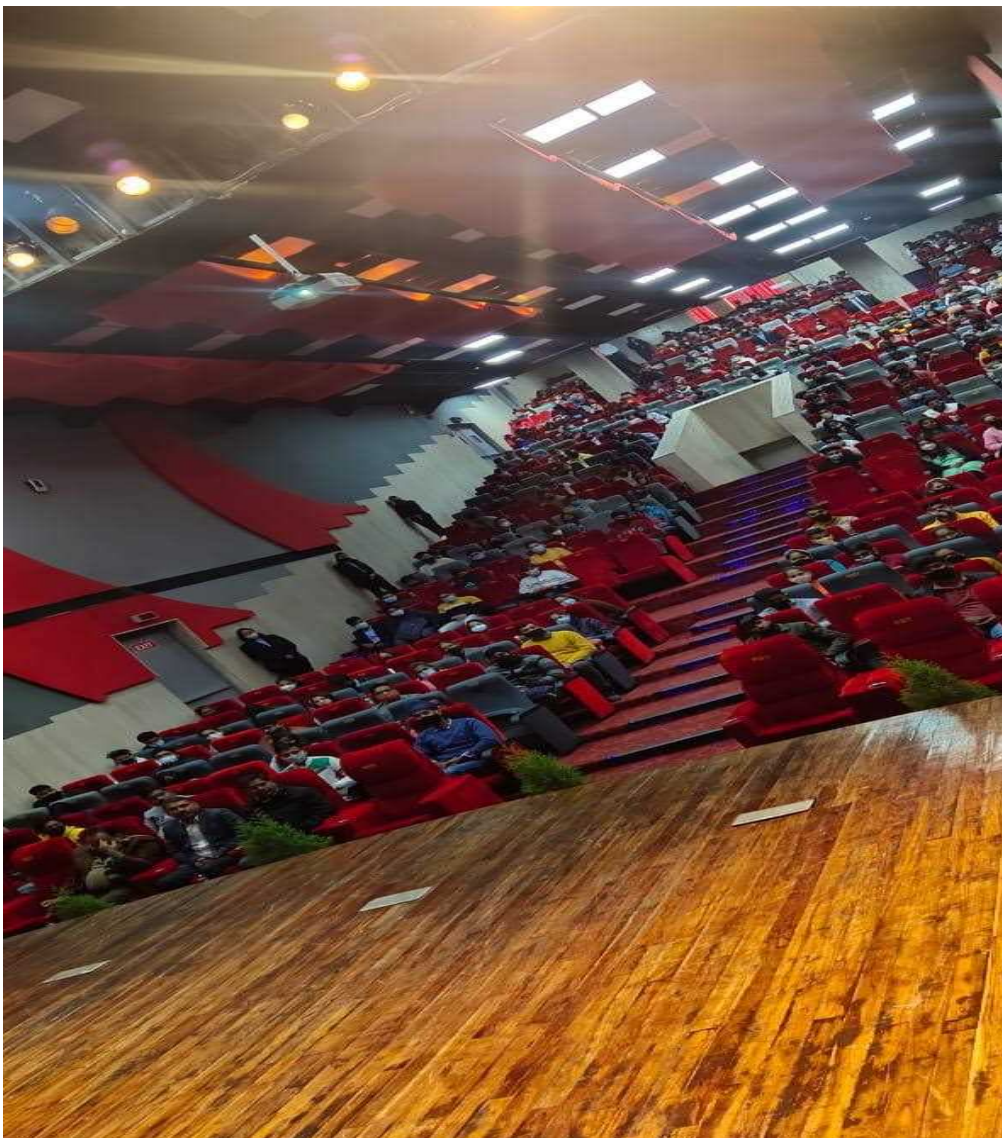

### **Students learnt about:**

- Students demonstrated effective communication skills.
- Students prioritize tasks and manage time effectively to meet deadlines.
- Students showed commitment to continuous learning and self-improvement.
