Department of Pharmacy, Panipat Institute Of Engineering & Technology PIET, Samalkha, Haryana, India has organized “**DEFEAT DIABETES CAMPAIGN**” in the campus in collaboration with **Research Society for the Study of Diabetes in India (RSDII)** in association with Art of Living, Rotary India, Torrent Pharma, Beat diabetes in order to make an official attempt for carrying out and record maximum blood sugar tests in a day under Asia Book of Records under the theme, “**1 Nation, 1 Day, 1 Million Tests**” on 29th September, 2021. PIET was registered as the Centre for Diabetes Campaign across Panipat and Sonipat Districts. The Camp was inaugural with the lamp lighting ceremony from Prof. (Dr.) Shakti Kumar, Director, PIET , Dr. B.B Sharma ,Dean Student Welfare, Dr.Vinay Khatri, HOD, ASH, Dr. Sunil Dhull, HOD , Mechanical Department along with the faculty members.

The trained students of Pharmacy along with their Laboratory Technicians and Teachers tested blood sugar levels, monitored weight, waist size, height and blood pressure in visiting patients and healthy volunteers to know about their blood sugar level in random sampling procedure. The teachers and the trained students also counseled them about their queries pertaining to Diabetes and reported blood sugar. It was a great learning platform for the students of pharmacy to have a direct interaction with the patient counseling platform so that they can learn more and more with the volunteer activity in the present covid-19 scenario. With the 300 blood glucose testing and other health fitness tests the camp was a successful to active the world record and justified the theme.
