One day skill development workshop “**ROBOTRIX 3.0**” on “**Role of Digital Manufacturing in Fabrication of Robotic Parts**” on 30th April 2022 for B.Tech. students of the institute was successfully conducted by Robo Club, Department of Mechanical Engineering. In this workshop, 20 number of students Participated. Objective of this workshop was to train the students of different CNC machines like CNC Laser cutting machine and 3-D Printer which play an important role in robotic parts manufacturing.

The workshop commenced with a warm welcome note by Dr. Sunil Dhull, the Head of the Mechanical Engineering Department. Dr. Dhull introduced the students to the workshop's goals and the importance.

Workshop was conducted in three different sessions. These sessions were taken by Mr. Abhisak Sharma (A.P., MED). Mr. Satpal Singh assisted him by providing technical support. Students were trained on 3-D Modelling software, “CATIA”. They developed their skills by learning the different tools of the software. Hands on sessions were also conducted during this workshop. Students enjoyed the sessions a lot.

The session concluded with a vote of thanks delivered by Mr. Pardeep Kumar. He expressed gratitude to all participants, organizers, and faculty members for their contributions to the successful execution of the workshop.
