## Report

### Workshop on Game Development

**Date:** Saturday, 18<sup>th</sup> June 2022, 11 AM

**Event Type:** Workshop

**Mode of Activity:** Online

**Target Group:** 3<sup>rd</sup> and 4<sup>th</sup> year students

**Resource Person (if any):** Mr. Nitin Kumar, Founder, Zeolat Games , 9050102255

**Coordinators:** Ms. Ashima Arya, AP, IT Deptt. and Ms. Neha Bhatia, AP, IT Deptt

**Organized by:** Department of Information Technology

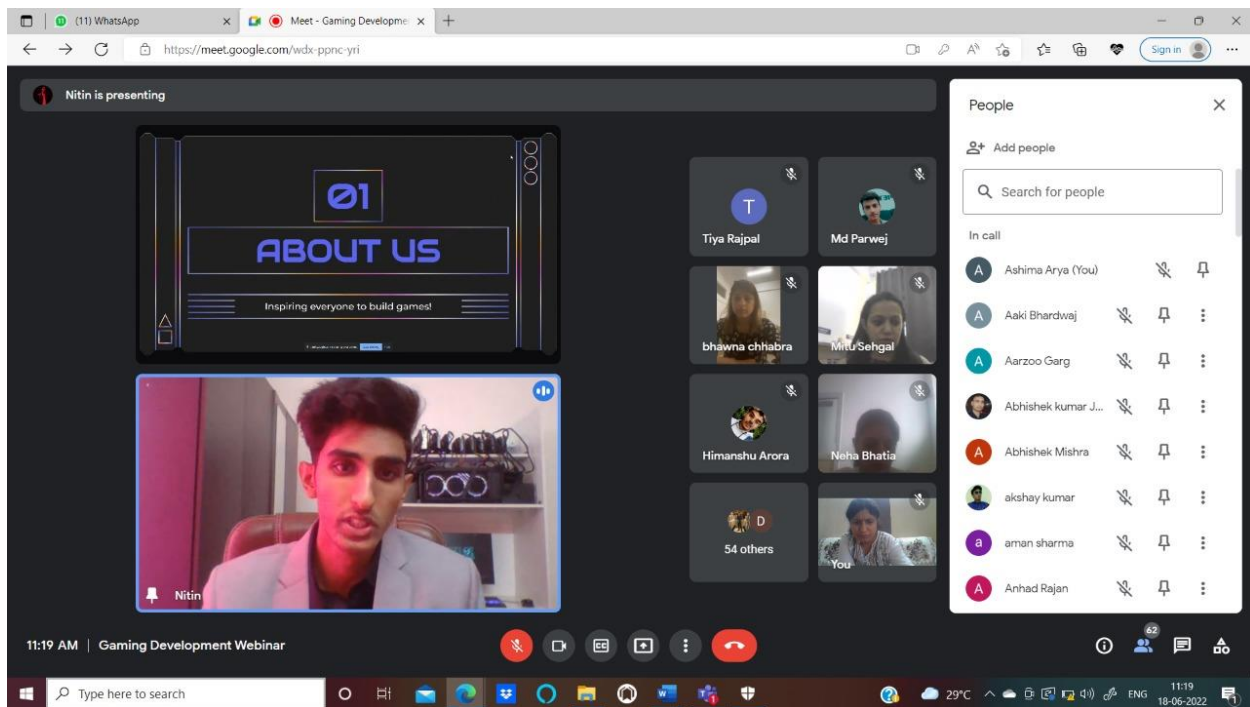

**Number of Participants (Attach Attendance as Annexure):** 60

#### Event Report:

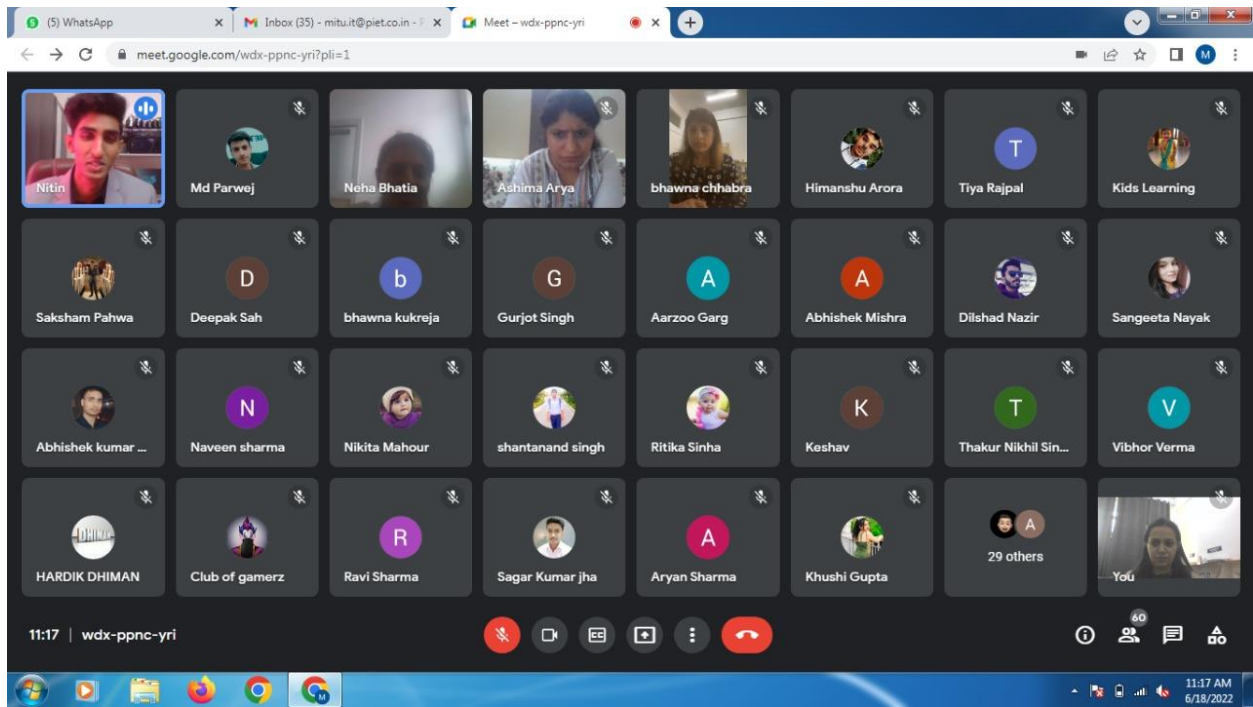

Department of Information Technology has successfully organized an online workshop on **Game Development** for 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> year students on Saturday, June 18, 2022. The objective of a game development workshop is to equip participants with practical skills in designing, developing, and completing a game project. Participants learnt the key aspects of game design, programming, art, and project management. The workshop aims to foster creativity, teamwork, and problem-solving abilities necessary in the game development process. Additionally, it provides insights into industry trends and career opportunities, while offering a platform for participants to network with professionals and receive valuable feedback on their projects. Overall, the workshop aims to inspire and empower individuals to pursue game development with confidence and competence. The online workshop was delivered by Mr. Nitin Kumar, Founder, Zeolat Games. The session began by welcoming and introduction of Mr. Nitin Kumar by anchor Ms. Neha Bhatia. The workshop was started by asking students to play a mobile game for 10 minutes and score as high as students could. The students actively participated in game and boost themselves. Mr. Nitin Kumar made students aware about the different programming languages used in developing games. Further, Mr. Nitin told about Unity 3D interface for games development, different job profile, global demand of game developer and how much a person can earn in this field. Interface

of game engine was shown to students and a game prototype was implemented in front of students so that they could get more exposure of the gaming technology. The students actively participated in the webinar and cleared their doubts during questionnaire time. The outcomes of a game development workshop typically include participants gaining practical skills in game design, programming, and project management. The students were also benefitted from networking opportunities, industry insights, and feedback from mentors, preparing them for potential careers or further exploration in the field of game development. The online workshop was coordinated by Ms. Ashima Arya and Ms. Neha Bhatia and was concluded by vote of thanks.
