The Department of Applied Sciences and Humanities of Panipat Institute of Engineering and Technology organized an Expert Lecture on “**How to Develop Fluency in Public Speaking**” on September 16, 2022. The event started with a warm welcome of the expert **Dr. Nisha Dahiya** who is also a language and communication enthusiast by (**Prof.**) **Dr. Vinay Khatri**, Head of Department (ASH) and the coordinator of the event, **Dr. Poonam** introduced the speaker.

The objective of the session was to equip participants with the necessary skills and techniques to enhance their public speaking abilities. The session aimed to help individuals build confidence, improve articulation, and develop effective communication strategies for various public speaking scenarios. The speaker provided her valuable insights on how to procure exceptional debate and communication skills. She shared her vast knowledge of how debate skills are necessary for public speaking and the corporate world. By the end of the session, participants were expected to have a better understanding of how to speak fluently, utilize vocal variety and body language, and manage nervousness.

The event concluded with a sincere vote of thanks to Dr. Nisha by the co-coordinator, **Ms. Anjali** for the exceptional contribution made. The speaker's articulate delivery and profound knowledge of the subject have provided valuable perspectives and food for thought, leaving attendees with a deep sense of appreciation for the enlightening session.
