(Approved by AICTE, New Delhi & Affiliated to Kurukshetra University, Kurukshetra)

Report

Workshop on Artificial Intelligence

Date: Wednesday, 5 April 2023.

Venue: Seminal Hall, Second Floor, E Block

Event Type: Workshop

Mode of Activity: Offline

Target Group: 2nd, 3rd and 4th year students

Resource Person (if any): Mr Jitendra Kumar (Data Scientist, Appwars Technology Pvt. Ltd., Noida, 9871451336)

Coordinator: Ms Rashmi Makkar

Organized by: Department of Information Technology

Number of Participants (Attach Attendance as Annexure): 68

The Department of Information Technology organized one day workshop on Artificial Intelligence on 5th April 2023. Mr Jitendra Kumar, Data Scientist at Appwars Technology Pvt. Ltd., Noida was resource person for the workshop. The objectives of one-day AI workshop are to introduce participants to AI concepts and applications, provide hands-on experience through practical exercises, discuss ethical implications, foster networking opportunities, and equip attendees with skills and insights relevant to AI's impact across industries. The session was started by welcoming the guest and introducing Mr. Jitendra to the students by the anchor Ms. Rashmi Makkar. Mr. Jitendra started his topic with the discussion of various industrial trends in the field of Artificial Intelligence. He emphasized on developing skills in Python for better prospects in area of AI. He demonstrated a project titled "How to change the background of a video" using Python and OpenCV. The hands-on session was focused on building blocks to accomplish the task. The session explored various options available with OpenCV to manipulate the images and videos. Among various options, PixelLib function was demonstrated to be good option to control various features of image and videos. The resource person examined the projects executed by the students and gave them useful feedback to improve on the project. The Key takeaways from a one-day AI workshop include foundational understanding of AI concepts, practical experience with AI tools, awareness of ethical considerations in AI development, networking opportunities with industry

experts, and insights into AI's applications across different sectors. At the end Mr. Mukesh Chawla, HOD (IT) felicitated Mr. Kumar by presenting a sapling. The session was concluded by vote of thanks by Ms. Rashmi Makkar.
