## Department of Information Technology

Ref. No. *PIET/I.T./ICT/2023/09*

Dated: 14 April, 2023

### NOTICE

The department of Information Technology is organizing a workshop on Microsoft Azure by **Mr Sarthak Jain, Head of Community, ReSkill, Noida** for 2nd year, 3rd year and final year students on **19 April, 2023 (Monday)**. This workshop will be invaluable in understanding Azure's capabilities and leveraging them effectively for their projects.

**Venue: Seminal Hall, Second Floor, E Block**

**Timings: 10:30 A.M.**

**The students can contact to the following student coordinators for any query.**

1. Abhishek Mishra (B.Tech. IT 2<sup>nd</sup> Year) 9896588056
2. Aayush (B.Tech. IT 2<sup>nd</sup> Year) 9728514566

## Report

### Workshop on Azure

**Date:** Wednesday, 19<sup>th</sup> April 2023.

**Venue:** Seminal Hall, Second Floor, E Block

**Event Type:** Workshop

**Mode of Activity:** Offline

**Target Group:** All the students of IT

**Resource Person:** Mr. Sarthak Jain, Head of Community ReSkill, Noida, 9675070702

**Coordinator:** Dr. Neeraj Gupta, Professor, IT

**Organized by:** Department of Information Technology

**Number of Participants:** 70

A workshop on Microsoft Azure was organized by the department of information technology organized on 19<sup>th</sup> April 2023. A one-day Azure workshop aims to introduce participants to Microsoft Azure cloud platform and its core services, focusing on hands-on experience and practical applications. Participants will learn to deploy virtual machines, manage Azure storage solutions, and configure networking. The workshop also covered basics of Azure security principles and best practices, enabling attendees to understand fundamental concepts for future cloud deployments and operations. Mr. Sarthak Jain, Head of Community ReSkill, Noida was resource person for the workshop. The session was started with a warm welcome of Mr. Sarthak Jain by the anchor Ms. Rashmi Makkar. Then Mr. Jain started his topic with the informal discussion on various emerging technologies in last one decade. The expert emphasized on the importance of cloud computing in digital era. He also introduced students to the fundamentals of MS- Azure. Mr. Jain discussed about the various services that cloud is offering in our daily life. He taught to the students how to deploy virtual machines and configure networking on azure. He had also discussed about the various Microsoft certification program that students can pursue. He told the importance of earning such certificates for their careers. The workshop was followed by interactive session. The queries raised by participants regarding various aspects were addressed by Mr. Jain. At the end of the session Dr. Mukesh Chawla, HOD IT, felicitated Mr. Jain by

presenting a sapling in the presence of Dr. Neeraj Gupta and Dr. Nitisha Aggarwal. The session was concluded by Dr. Neeraj Gupta by vote of thanks.

**Following are the key take away from the lecture:**

1. Aware about the cloud computing specifically MS - Azure
2. Certification in MS – Azure
3. Awareness regarding global certifications.
4. Key technological areas in the computer science that students can explore.
