VISION

Department of Computer Science and Engineering aspires to become a center of excellence for quality technical education by keeping pace with new technologies to create competent professionals.

MISSION

M1: To develop professionals with analytical and technical competency for productive career in industry, academia and as entrepreneurs.

M2: To build theoretical and applied skills of faculty and student in computer science and engineering through need based training, research and development on industrially and socially relevant issues.

M3: Continuously improve and provide state-of-the-art laboratories to keep up with the new developments in the area of computer science and engineering.

M4: Create nurturing environment through competitive events, industry interactions, global collaborations and creating concern for lifelong learning.

MESSAGE

HOD's MESSAGE

Dr. S. C. Gupta
Professor and HOD, Department of
Computer Science and Engineering

I am proud to assert that our department has met this standard of success with utmost humility. I gratefully Recall the contributions of our teachers and all those who followed in line down initiating of magazine .May the gleam of our department ever illumine the years Ahead..

From Editor's Desk

Dr. Anju Gandhi,
Associate Professor,
CSE

Ms. Anoop Arya,
Assistant Professor,
CSE

Pratham Kataria,
B. Tech 3rd Year,
CSE

NATIONAL TECHNOLOGY DAY 2019

On the occasion of National Technology Day, a seminar on “Artificial Intelligence for All” was organized on Saturday, 11th May 2019 at the APJ Abdul Kalam Auditorium. The keynote speaker of the seminar was Mr. Shakti Kumar, Director, PIET. Faculty and students became the part of this interesting seminar as in this current era everything is revolving around Intelligent Systems or Artificial Intelligence

FDP ON DATA SCIENCE & BIG DATA

Faculty Development program from 20-24th May 2019 organized by DELL EMC COE Computer Science & Engineering Department.

Ms. Navpreet Kaur was Technical Trainer from ICT Academy. Faculties from CSE, IT and MCA department participating in this program

FDP ON SOFT COMPUTING

3-days Faculty Development Program on "Soft Computing Applications to Design of Intelligent Systems" (FDPIS-2019) was hosted from 18th to 20th July 2019 in Computer Science and Engineering Department. Various Topics related to Soft Computing Methodologies such as Fuzzy Logic, ANNs and Search and Optimization Approaches were discussed for the design of Intelligent Systems by the eminent speakers of the subject. Modeling and Design of Artificial Pancreas, Rapid Intelligent Charging Systems for Electric Vehicle batteries were also discussed as design examples in the various sessions of workshop. Prof.(Dr.) SC Gupta, Program Chair, Dr. Anju Gandhi, Convener and Dr. Suman Arora, Co-convener and other CSE Faculty members designed and executed this FDP.

LEADERSHIP TALK

MHRD Innovation Cell (MIC) is organizing "India First Leadership Talk Series" with Prof. Anil D. Sahasrabudhe, Chairman, All India Council for Technical Education.
