VISION

Department of Computer Science and Engineering aspires to become a center of excellence for quality technical education by keeping pace with new technologies to create competent professionals.

MISSION

M1: To develop professionals with analytical and technical competency for productive career in industry, academia and as entrepreneurs.

M2: To build theoretical and applied skills of faculty and student in computer science and engineering through need based training, research and development on industrially and socially relevant issues.

M3: Continuously improve and provide state-of-the-art laboratories to keep up with the new developments in the area of computer science and engineering.

M4: Create nurturing environment through competitive events, industry interactions, global collaborations and creating concern for lifelong learning.

MESSAGE

HOD's MESSAGE

Dr. S. C. Gupta
Professor and HOD,
Department of Computer Science and Engineering

The CSE team has been successfully upholding the traditions of this department which is evident from the efforts they have made in successfully publishing this newsletter. This month has been great & the shades of the whole month have been depicted precisely in this newsletter.

FROM EDITOR's DESK

Dr. Anju Gandhi,
Associate Professor, CSE

Ms. Anoopa Arya,
Assistant Professor, CSE

Gaurav Gakhar,
B. Tech 2nd Year,
CSE

MHRD

10th April

Leadership Talks

MHRD Innovation Cell (MIC) is organizing "India First Leadership Talk Series" with Prof. Anil D. Sahasrabudhe, Chairman, All India Council for Technical Education.

PLAGIARISM EXPERT LECTURE

16th April

DR. SANJAY TYAGI,
Prof. DCSA, KUK

Plagiarism is the "wrongful appropriation" and "stealing and publication" of another author's "language, thoughts, ideas, or expressions" and the representation of them as one's own original work.

Plagiarism is considered academic dishonesty and a breach of journalistic ethics. The modern concept of plagiarism as immoral and originality as an ideal emerged in Europe in the 18th century, particularly with the Romantic Movement.

FUTURE OF TECHNICAL EDUCATION

22nd April

Prof. Anil D. Sahasrabudhe,
Chairman AICTE

Future of Technical education in India. Last year around 8.19 lakh student enrolled in 2,297 engineering colleges all across the country.

FAREWELL

30th April

Today we are saying goodbye to each other. But there is no reason to feel sad. Think about all the happy moments that we shared together and a smile would surely come across your face. Farewell!
