- *M3: Inculcate the culture of application oriented learning to foster Entrepreneurship for National development*
- *M4: Nurture ethical leaders who are having high sense of social responsibility and understanding of dynamics of business environment.*

HOD's Message

The purpose of education is to teach budding managers to think and develop a capacity to reason our facts. Learners should keep in mind the importance of planning and prioritizing their time and the effective use of it which are essential to achieve success. Learner's should always think and review, discover the cause and effect of every event, in which they are involved. Do not surrender or become a salve to youthful fancies and indulgences. Be steady in your studies.

Kaun Banega ENTREPRENEUR

We as startup cell in collaboration with the Department of Pharmacy at PIET have celebrated 23 January 2023 as the founding day of startup India. On this precious occasion startup cell PIET organized an unique programme titled **KAUN BANEGA ENTREPRENEUR**.

Textile Workshop

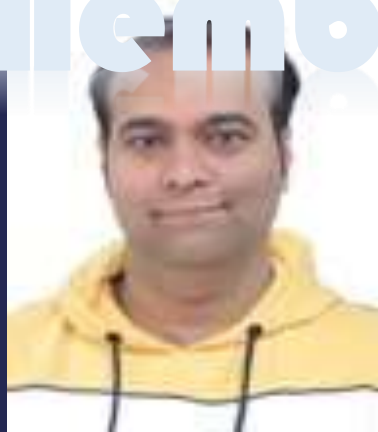

One Day workshop on "Recycling & Sustainability: Inherent flame Retardant Textiles" was successfully hosted by Department of Textile Engineering. The Hall Mark of the workshop was the participation of 30 Delegates from the industry and luminaries from the academic institutions including IIT Delhi. The proceedings of the workshop have been very fruitful to all the audience.
