

Trip to Shimla

The B.Tech 1st year students of our college went on an excursion trip to Shimla which was organized by Applied Sciences and Humanities Department. The trip aimed to provide the students with an opportunity to explore the natural beauty and cultural heritage of Shimla.

The journey to Shimla was by bus, The students were accommodated in a comfortable hotel located in the heart of Shimla. The hotel had all the necessary amenities, including clean rooms, a restaurant, and a 24-hour reception desk.

During the excursion, the students visited several places of interest in and around Shimla. The first day started with a visit to the famous Jakhu Temple, which is located on top of a hill and is dedicated to Lord Hanuman. The students also visited the Mall Road, which is a popular shopping and dining area in Shimla. The second day included a visit to the Kufri Fun World, which is an amusement park with several rides and attractions. The students also got the chance to experience horse riding and yak riding. On the final day, the students

visited the Indian Institute of Advanced Study, which is a prestigious academic institution located in Shimla.

Apart from sightseeing, the students also participated in several cultural activities during the excursion trip. There was a bonfire night organized for the students, where they sang and danced around the fire. The students also participated in a talent show, where they showcased their singing, dancing, and poetry skills. This helped to create a sense of camaraderie and togetherness among the students.

The excursion trip to Shimla was a wonderful experience for the B.Tech 1st year students. The trip provided them with a much-needed break from their regular academic schedule and helped them to unwind and relax. The students got the opportunity to explore the natural beauty and cultural heritage of Shimla, and they also participated in several fun and engaging activities. The trip was a huge success, and we hope to organize more such trips in the future.
