All of the members were present at the meeting, where the following topics were covered: The meeting will address the ongoing issue with the laundry coupon system in the hostel, specifically the problem where the system fails to start the machine despite successfully deducting the coupon value from students' accounts. We will review the reported instances where students have been unable to use the laundry facilities due to this malfunction. The discussion will focus on identifying the root cause of the issue, evaluating the current system's functionality, and exploring potential solutions to ensure proper synchronization between coupon deductions and machine operations. Our goal is to resolve this problem promptly to restore efficient and reliable laundry services for all residents.

Recommendation of the Committee: The committee recommends changing the system of the laundry coupon. It will work on the Wi-Fi network.
