All of the members were present at the meeting, where the following topics were covered: The meeting will address pressing concerns related to food hygiene and plate cleanliness in the hostel mess. We will review the reported issues, including the inadequate hygiene standards of the food being prepared and stored, as well as the insufficient cleaning of plates used by students. The discussion will focus on evaluating the current practices for food preparation and storage, and the procedures for washing and maintaining dining utensils. We will also explore potential improvements to ensure that both the food served and the plates are consistently clean and hygienic. The goal is to develop actionable solutions that will enhance the overall dining experience and ensure a healthier environment for all students.

Recommendation of the committee:

The committee advised to hire a food inspector who will manage all the mess issue related to hygiene.
