

National Startup Day

The startup India initiative was launched on 16 January 2016 which is an initiative of the department of Industrial Policy and Promotion. Its major objective was to support Entrepreneurs, building a robust start-up ecosystem and transforming India into a country of JOB CREATORS instead of JOB SEEKERS.

The day is marked to encourage the spirit of entrepreneurship and promote achievements of Indian startups. It is also commemorated to provide a platform for startup entrepreneurs to discuss innovation for India's youth and their contribution to the economy.

The event provides a platform for startup business owners to connect with investors, mentors, and other entrepreneurs, and to share their ideas and experiences.

It's not just about having a great idea or product, it's also about having the drive and passion to see it through to fruition.

The motive behind encouraging the idea of entrepreneurship is to give a boost to schemes like Make-in-India.

We as startup cell in collaboration with department of pharmacy at P.I.E.T. have celebrated 16 January 2023 as the founding day of start-up India.

So that we have conducted a quiz contest:

“KAUN BANEGA ENTERPENEUR”

- The quiz has been conducted in 3 levels:
 - 1.LOW
 - 2.MODERATE
 - 3.HIGH
- The questions in quiz were related to startup and entrepreneurship.
- The first round was conducted as Fastest Finger First.
- The winner of 1st round was selected to play the 2nd round.
