#### 1. Product in Startup Journey

In Campus workshops for students of engineering, computer applications, B.B.A were held at PIET Auditorium on 8th of December, 2021. The workshop covered startup journey from the basics and some live use cases of successful Indian startups and PIET startups. The workshop was taken by Mr. Deepak Sharma, Co-founder, India Accelerator and IA Labs, and Mr. Deepak Nagpal, Managing Partner, India Accelerator. The curiosity displayed by students of PIET regarding A to Z of startups marked a great start to the first edition of PIET Startup Spardha.

Mentorships Details: Startup Pitching: 10th Jan by Neeti Malhotra Lean Startup: 11th Jan by Deepak Sharma Startup Lifecycle: 12th Jan by Deepak Nagpal Post the mentor sessions, the registered startups were allowed to refine their pitch based on the learnings acquired.

### 4. IDEATHON PRE-SCREENING

Out in the world of venture capital, a successful elevator pitch is crucial to pique an investor's curiosity and sets the stage for possible investment. To help PIET students master the art of elevator pitches, the pre-screening round was conducted on 18th and 19th of January, 2022. Teams were given 1.5 minutes each for their pitches and they were judged on the basis of the following criteria:

- a. Idea: Is it unique? Is it feasible? Is there a need for something like this?
- b. Business Model & Impactfulness (Indian SDGs and AtmaNirbhar Bharat)
- c. How well the team communicated the idea to the jury in the given time?
- d. The research done by the team.

This round was judged by Dr. Vijay Athavale, Dean of Engineering, PIET and a team of Entrepreneurs in Residence from India Accelerator. Out of 50 ideas presented, top 21 were selected for a final screening round. The teams were given one on one mentorship regarding their business models, idea, pitch, etc. before the final round.
