

EVENT NAME: STARTUP INSPIRATION LECTURE

Event date: March 27, 2024

Event venue: Ismail National Mahila College Meerat

Event attended by: Students and teachers of the college

Objective of the event: Empower students with entrepreneurship skills and awareness through interactive lecture.

Event writeup:

On March 27, 2024, PIET Startup Cell, in collaboration with Navjyoti Foundation's Jazba team, orchestrated an enlightening lecture in Ismail National Mahila College Meerat. Its primary objective was to steer students towards the dynamic realms of entrepreneurship, innovation, and startups. Beyond mere inspiration, the event furnished attendees with invaluable insights into the requisite skills, prerequisites, and profound significance entailed in launching entrepreneurial ventures.

Following the lecture, a series of student activities, including group discussions and debates, ensued, fostering interactive engagement and exchange of ideas.

The lecture garnered enthusiastic participation from both faculty and students hailing from diverse academic departments. Notably, the esteemed presence of the principal and teachers added gravitas to the occasion. Through its engaging discourse, the session effectively cultivated a heightened sense of motivation and entrepreneurial awareness among the attendees.
